

## **Training Announcement**

**for**

### **224 hour K-9 Detection Academy**

**Police Canine Consultants will be holding a 224 hour Basic K-9 Detection Academy beginning December 12, 2011**

This 224 hour course is designed to provide the new Detection Dog handler with the practical skills and knowledge to work as a professional and cohesive team with a new Detection dog. The course will cover imprinting of target odors and practical searches of vehicles, interior buildings, parcels, luggage and open areas. Target odors will include Narcotics, Explosives or United States Currency.

**Location:** TBA

**Schedule:** The course will run Monday, Tuesday and Thursday, Friday each week

**Times:** 1900 hrs. – 0200 hrs.

(Course hours may vary on some days to accommodate training venue requirements)

**Fee:** \$950.00

**Payment:** Check or Credit Card to **Police Canine Consultants**

**Materials:** Binders/ classroom material will be provided

(If your department has detection training aids we will request to utilize them as the class progresses to expose the canines to as many variations as possible)

**Registration:** Please send inquiries to [info@policecanineconsultants.com](mailto:info@policecanineconsultants.com)

**Contacts:** Marc Plunske @ 954-914-5802 or Keven Sweat @ 954-444-5703
